Dear Senator Coleman, Representative Tong, and Members of the Judiciary Committee;

I'm writing to OPPOSE the nomination of Auden Grogins for Superior Court Judge.

Audin Grogins served six years on the Judiciary Committee of the General Assembly where she often failed to uphold her oath of office to support both the state and federal Constitution and allowed her personal feelings on an issue to influence her vote.

This is NOT the type of person citizens want as a judge.

Please reject all out of state testimony when considering this appointment. The only relevant opinions are those of Connecticut citizens.

Thank you for your time.
