Subject: Please confirm Auden Grogins

Dear Members of the Judiciary Committee,

Please do not allow the NRA and the corporate gun lobby to block the confirmation of Auden Grogins who has all the credentials for judgeship.

As a neighbor of the shooter and many children lost on that horrific day two years ago, I truly appreciate the efforts of the Bipartisan Task Force for Gun Violence Prevention and Children's Safety. You demonstrated to the nation and the world that Republicans and Democrats in America can work together to pass sensible gun safety legislation to keep our children and families safe.

No elected official should be punished for voting to keep his/her constituents safe from gun violence.

Thank you for your consideration.

Sincerely,
Po Murray
