Subject: Opposition to Auden Grogins judicial appointment

Dear Committee members;

I am unable to attend the public hearing regarding the appointment of Auden Grogins as a Superior Court judge. Please consider my opinion that Ms. Grogins has proven her bias against lawful citizens, ignored her Oath of Office as a state Representative, does not respect constitutionally protected freedoms and cannot be trusted to be an unbiased, impartial arbiter of the law.

Thank you for your consideration of my thoughts.

Respectfully

Mike Ninteau
