Subject: Opposition to Auden Grogins Esq. Nomination

Dear Senator Coleman, Representative Tong, and Members of the Judiciary Committee;

I am writing in opposition to the nomination for Auden Grogins for Superior Court Judge.

I feel that a superior court judge needs to uphold the Constitution no matter what personal opinions, experience, or beliefs are.

In the past she has voted against bills that directly violated the US Constitution. Her vote on April 4th, 2013, on SB-1160 had proved that. Auden Grogins does not have previous judicial experience as a judge. For the single issue stated above, among others that I have not included have prompted this email. I oppose the confirmation of Auden Grogins' nomination, and I hope you consider the same.

Respectfully,

Justin Zito
