

Our economy isn't working for too many people, and it is even more difficult for women.

I support HB 6932 and HB 6784 because they allow workers to balance caring for their families and their jobs. My wife and myself are in our 70's she lost her job, insurnece. Now we are facing foreclosure, social service says we make too much money, What money 30,000 dollars less is more??? unemployment says the same bull shit. Seniros are disposable, so are vets, I'm both. there so much unamerican bull shit going on in this country it's unbelievable ,I misspelled so what everyone knows what I mean, Fix this or go to hell home and don't waste any more of our money.
