1 In lines 16, 23, 26, 29 and 36, strike "Administrative Services" and
2 insert "Energy and Environmental Protection" in lieu thereof

3 In line 42, after "program" insert ", subject to the provisions of
4 subdivision (4) of this subsection"

5 In line 66, after "demonstrates" insert "to the Commissioner of
6 Energy and Environmental Protection"

7 Strike lines 99 to 109, inclusive, and substitute the following in lieu
8 thereof:

9 "(c) If a commissioner of a state agency identifies a technology,
10 product or process that is procured, installed and tested by a
11 municipality that meets the requirements of subsection (b) of this
12 section, such commissioner may file a request with the Commissioner
13 of Energy and Environmental Protection to evaluate such technology,
14 product or process for state agencies. Such evaluation shall be

15 completed not later than thirty days after receipt of such request. If the
16 Commissioner of Energy and Environmental Protection determines
17 that the technology, product or process reduces energy usage and costs
18 or reduces dependence on fossil fuels or greenhouse gas emissions,
19 said commissioner shall notify the Commissioner of Administrative
20 Services, who shall (1) procure such technology for use by any or all
21 state agencies, and (2) make such procurement pursuant to subsection
22 (b) of section 4a-58. The Commissioner of Administrative Services shall
23 make information regarding the opportunity to procure such
24 technology, product or process available to all state agencies on the
25 Department of Administrative Services' Internet web site."
