Addressed to The Planning and Development Committee of CT

To Whom It May Concern:

I am writing **in support of Proposed House Bill No. 5096: An Act Increasing the Threshold Required for Passage of Unfunded Mandates**. This bill requires the approval of two-thirds of the members of both chambers of the General Assembly for passage of any new or expanded unfunded mandate on municipalities. By passing this bill, we can set up an obstacle to future unfunded state mandates on towns. I encourage local leaders to vote in favor of this unfunded mandate relief bill.

Sincerely,

Tia Mahaffy
