

Rep. Matthew Ritter and Chairman Senator Terry Gerratana and Members of the Health Committee,

Bill # 5625

Mary Ann O'Connell

I've been working in the State of Ct for 35 years as an Electrolysis.

Trained at the Kree Institute in New York, N.Y.

Our profession is regulated by the Dept. of Health

Please change the wording of the definition of surgery to exclude electrolysis from the Bill 5625.

Thank you.
