

**HB 5915**

Dear Senator Gerratana, Representative Ritter and members of the Public Health Committee,

I am writing today in support of Proposed Bill 5915: An Act Concerning the Practice of Classical Homeopathy. This bill will allow certified classical homeopaths to practice in Connecticut. I have seen first hand the benefits of homeopathy in the care and treatment of my family and friends, and have found it to be a very safe and gentle option. Due to the lack of access in Connecticut, I have had to travel to Massachusetts in the past to meet with a certified classical homeopath. I would like easier access to these qualified professionals. I hope you will support this important bill. Thank you very much.

Sincerely yours, Amy Bansak
