

HB 5915

Good Morning members of the Public Health Committee. My name is Karen Crape. I live in Fairfield, CT and I am here to encourage you to pass bill # 5915. I highly support this bill.

I believe most people want and need more options to health care. Homeopathy cost less and works together with the human body with no side affects. My entire family have received homeopathy with amazing results.

I am asking you to please pass this bill. We all need this health option of homeopathy in our state.

Thank you for your positive support for Bill # 5915
