

6949

Committee on PUBLIC HEALTH

Testimony Against Raised H.B. No. 6949 AN ACT CONCERNING CHILDHOOD VACCINATIONS

By Olivia Hussey

145 E. Putnam Rd., Putnam, Ct.

3, 20, 2015

Senator Terry Gerratana, Representative Matt Ritter and members of Public Health Committee. My name is Olivia Hussey, I am a college student and I am writing testimony against HB 6949.

I believe that it is unconstitutional to take away my my right to refuse vaccination on the basis of religious exemption. Religion is a very personal, subjective matter, and it only concerns myself. I am against this proposition.
