

SB 590

February, 19, 2015

Public Health Committee
Connecticut General Assembly
Legislative Office Building 3000
Hartford, CT 06106

Dear Committee Chair,

I write to you in the capacity of the Director of Culinary Services at Meadow Ridge, a Continuing Care Retirement Community in Redding, Connecticut. As a member of the Club Chefs of Connecticut, I would like to add my support to the letters that you have received from my fellow chefs and club managers.

It is my hope that the committee passes SB No.590 at the hearing this Friday, February 20, 2015. As a hospitality and culinary professional, I strive to give our residents the best quality experience, as well as include the latest developments in our industry. The Sous Vide art of cooking is widely used in New York State and has proven to be a safe and reliable way to prepare many foods at Costa Glen, a Continuing Care Retirement Community in Southern California. With the approval of this bill on Friday, our segment of the food and beverage industry can benefit from this successful process.

If you require any additional material to support this request please let me know. Thank you in advance for your assistance.

Sincerely,

Brian J Limitone
Director of Culinary Services
