

1089

To whom it may concern,

My name is Giacomina Venditti and I am a BCaBA from Milford, CT. I have worked at a non-profit, private school for children with autism spectrum disorders for almost 13 years. I am writing to tell you that I am in wholeheartedly in favor of SB 1089 sections 23-29, and would ask if you could please pass this bill in CT as soon as possible. Passing this is crucial to consumers of ABA services in this state because it would make it easier for a family to obtain private insurance funding for ABA services. There are 19 states that already have licensure. Please make CT another one!!!

Thank you for your time,

Giacoma A. Venditti
