My name is Victoria Scirocco, I live in West Haven and work for an ABA program and am taking ABA coursework and my goal is to be an assistant behavior analyst. I believe Behavior Analysts and Assistant Behavior Analysts should be licensed by the state of CT. This is an amazing field that can help a lot of people in need and without the right training and recognition people will loose out on the help they need and deserve.

Thank you for your time,  
Victoria Scirocco
