Response to Raised Bill No. 6855-LCO No. 3489

I write this response as president of the Rocky Hill Veterans Home Council.

Since the release of the December 19, 2014 from the legislative Program Review and Investigations Committee regarding the Veterans Home. We the Council have met many times, encouraging other Veterans attend and participate in reviewing the recommendations.

We would like to acknowledge that in a very short period of time, you folks have gathered a great deal of information and identified areas of improvement. We commend the PRI and the legislative committee for a job well done.

The Council has a vested interest and a desire to actively participate with the Committee, Commissioner, Board of Trustees, and administration with, 1. Prioritizing, 2. Active role with writing and researching, 3. We would also like an operative position with the implementation of the new rules and regulations.

The Council promotes community building. Our goal is to build "THE HOME WITH PRIDE". Lets set an example.

*Respectfully,
Thomas J. [unclear]
President*
