Senate Bill 1090:

We are opposed to Senate Bill 1090 regarding casino expansion in our state, a desperate attempt to pursue money in the short-term with no real long-term outlook for Connecticut's economy. Dotting the major highways of Connecticut with casinos to feed the gambling addictions of residents will eventually make our state look like one giant Atlantic City of bankrupt casino shells.

We are strongly opposed to Senate Bill 1090 and this needless additional infusion of gambling into our state.
