Subject: Senate Bill 1090

Greetings,

I am aware of Bill 1090, which is being considered to create casinos on along I 91, I 95 and I 84. I strongly oppose this bill. I have a family member who suffers from a gambling addiction and experienced how my family's life was impacted because of this. I strongly believe that the State of Connecticut needs to identify different ways of generating income and producing jobs that are not related to creating more casinos. Thank you for the opportunity to share my thoughts about Bill 1090.
