Re: **Department of Labor proposed regulations pertaining to the adoption by reference of revisions to the occupational safety and health standards (Electric Power Generation, Transmission and Distribution; Electrical Protective Equipment)**

Dear Senator Ayala and Representative Noujaim:

In accordance with Section 4-170(b) of the Connecticut General Statutes, I am submitting for your approval the above-referenced proposed regulations. On September 19, 2014, the Department electronically submitted the regulations to the Secretary of the State, and the regulations were posted on the Secretary's regulation website on September 22, 2014. A public hearing was held at the Department of Labor on October 20, 2014, and a Decision to Take Action notice was posted on behalf of the Department on the Secretary of State's regulation website on October 29, 2014. Entities requesting copies of the regulation were provided with copies of the regulation. The Department did not receive any oral and written comments. The regulations were approved by the Office of the Attorney General on November 21, 2014.

In the event you should need any further information or assistance with respect to these regulations, please do not hesitate to contact Attorney Anne Rugens, Office of Program Policy, at (860) 263-6755.

Sincerely,

A handwritten signature in black ink, which appears to read "Sharon M. Palmer". The signature is fluid and cursive.
