**RE: Substitute Page for Regulation 2015-20, Extension of an Existing Slow-No-Wake Zone in Squantz Cove, Candlewood Lake.**

Dear Ms. Breiner:

The Boating Division of the Connecticut Department of Energy and Environmental Protection (DEEP) herewith submits the accompanying substitute page for the above referenced regulatory proposal. This substitute page is being submitted to address necessary technical changes pursuant to the direction of the chairmen of the Regulation Review Committee as communicated to the DEEP by Bradford M. Towson, Senior Legislative Attorney, Legislative Commissioner's Office, via electronic mail (August 5, 2014). The following technical corrections were requested:

1. On page 1, in section 15-121-B15a(a)(2), each instance of "one half" should be "one-half", for proper form.
2. On page 1, in section 15-121-B15a(a)(3), in the second line, the open bracket should appear before the period; in the fourth line, the closed bracket should appear after the period, and ";  
and" should be inserted after the closed bracket for proper form and consistency in punctuation.
3. On page 1, in section 15-121-B15a(a)(4), a period should be inserted after "of Slow-No-Wake", for proper form and after "marker(s)", for accuracy in reflecting the text of the existing regulation.

These changes have been made and are reflected in the accompanying substitute page. Should further changes be required please do not hesitate to contact me by telephone at 860-447-4354 or by email at [timothy.delgado@ct.gov](mailto:timothy.delgado@ct.gov). Thank you for your attention to this matter.

Sincerely,

/s/ Timothy F. Delgado
