

This requests you OPPOSE HB 6818 to reinstate tolls on Connecticut highways for 4 reasons:

- We already pay one of the highest gasoline taxes in the nation
- We have been through this already and determined tolls were detrimental for Connecticut
- Congestion is already bad enough in our area of SW Connecticut
- As heavy users of our highways, we would compensate by changing our travel to non-toll routes

Rather than raising tolls, we look to our Legislature to finds ways to reduce spending as we do in our town government.

Thank you for the opportunity to express my concerns.

Sincerely,
Andrew Millar
