

NO to TOLLS: House Bill 6818

WHY?

1. LAW of unintended consequences
 - A) Easy to route around CT, losing GAS TAX not offsetting Toll revenue
 - B) Discourages Transportation - personal & commercial. Affects commuting
 - C) Add charge and lost time to supply chain management & commuting
 - D) Accident potential
 - E) Encourages moving to surrounding states - CT lost 50,000 in 2014

YES to PENSION/DONATION REFORM and ECONOMICS SEED MONEY

WHY?

1. There's a decreasing difference between the NEW SECULAR ORDER and the OLD SECULAR ORDER.
 - All of the POLITICIANS, LAWYERS, MILITARY, BUREAUCRACY and POLICE/JUSTICE SYSTEM are / have been BRIBED.
 - * Wars, Weapons, Drugs, Crimes, Insider Trading, are victimizing the "CONSTITUTION and WE THE PEOPLE."

Pamela Digby Churchill Harriman helped introduce the POLITICAL ACTION COMMITTEE - legalized bribery. (D.C. Post Book: "Too much damn money." She was a prostitute / spy foreign agent, as were Rockefeller, Bush, Cheney.

Every cop, judge, elected official has become a de facto traitor.

2. The Marshall Plan worked, benefitting the USA and West Europe, Pacific Rim, ex-Protectorates, and more.

The Trilateral Commission deconstructed USA built up Industrial infrastructure, without replacing it and cannibalized USA families, while building RUSSIA, BIG OIL, NORTH SEA, COMMONWEALTH, O.P.E.C. and other OIL, NARCO, and WAR PLUTOCRATS

Between Solar Energy and Hydroelectricity the money transferred to BIG OIL wants to control renewable energy, but is **not** in Public Interest.

- Seed money, intelligently invested in futuristic ROI projects is GOOD DEBT, which every BUSINESS PERSON uses a BUSINESS PLAN and GOOD DEBT / PROFIT to expand and grow.

Demoncrats and Republiconartist only know how to steal, not build, nor how to use Adam Smith nor George Marshall economic principles and tools.

or that dog = dogs of war - Iconology / Logocracy

Hebrewnation = Double Toil and Trouble - short sighted plan for longest term objectives, will cause own destruction

Illuminati = Illuminutty following decepticon bread crumbs of history placed by counterintuitive empiricists creating time tables to reap rewards and delay any possible punishment.

POWER, MONEY, CONTROL, ASSETS are meaningless in DEATH.

We all DIE.

If there isn't a GOD to JUDGE and FAMILY to be proud and supported, what are the purposes to life?
