

I am 71 years old, retired and still working. Consequently and unfortunately, I can not attend the hearings.

That is why I am writing in opposition to tolls in Connecticut.

I am opposed to tolls at our borders and/or within the State itself.

The money we would need to bring in to recoup implementation, salary and construction costs will take forever. Keeping in mind if tolls are implemented the costs for the aforementioned would continue on a regular basis.

It would be better to contain the exorbitant wages, salaries, benefits of State Workers and Educators.

Respectfully,
