

The Waterbury Branch Service need the additional Train Services so that you do not have to sit for 2 to 3 hours waiting for the next Train up the Branch. Your paying for a Service like the Main Branch which has Trains leaving every 15 to 20 minutes., Why can't the Branch line have a few more Trains or a Buses to cut the wait time during the day. I VOTE YES on the SB 492 Bill.

Regards Toni Khalaf
Waterbury Branch Passenger
