

To whom it may concern:

My name is Doree Mann and I use the 9 town transit to get to and from both my jobs, to the YMCA, and to recreational activities. The 9 town transit helps me to live independently, work and be active in the community. It is very important that the bus gets me to work on time. When I take the 3pm bus on Monday from Madison to Westbrook it is always full and I have to stand and hold onto the strap. I don't think this is safe. I think more buses are needed.

Thank you for your time.

Sincerely,

Doree Mann
