CT Forest and Parks

This is to echo the concern of, I'm sure, many of us who would hate to see the parks lose funding. Goodwin Forest has become a very important part of my life with the programs they host – chief among them are the “Senior Walks”. I am 75, enjoy being out in the forest, but am not up for 10 mile hikes. The Goodwin staff leads us for an hour or so on the trails, pointing out interesting flora and fauna along the way – ergo, it's gentle exercise and educational. Doesn't get much better than that!
