

Testimony of Mary E. Burnham  
Education Committee Public Hearing  
March 7, 2016

Regarding: SB 380 "AN ACT CONCERNING THE EXCLUSION OF STUDENT PERFORMANCE RESULTS ON THE MASTERY EXAMINATION FROM TEACHER EVALUATIONS".

Please pass this bill – PLEASE!!!!

I did not read until I was almost 12 years old!! I was/am dyslexic. I had some amazing teachers who might have been dismissed or fired because I would have failed a mastery test!!!

Respectfully submitted,
