Martin Mador, Legislative Chair

Environment Committee
March 11, 2016
Testimony on HB 5579 AAC Building Resiliency and the
Governor's Council on Climate Change

I am Martin Mador, 130 Highland Ave., Hamden, CT 06518. I am the volunteer Legislative Chair for the Connecticut Chapter of the Sierra Club. I hold a Masters of Environmental Management degree from the Yale School of Forestry and Environmental Studies.

While the targets may be decided through deliberations of the Governor's Council on Climate Change, we recommend that the target in legislation for 2030 be required to be at least 40% to be consistent with the New England Governors agreement.
