

To Whom It May Concern,

We are writing in support of House Bill 5583 allowing the town of East Haddam and the Bashan Lake Association the ability to control the draw down of Bashan Lake on a yearly basis.

Allowing the residents to have a say in the water levels has many benefits for the lake including weed control, and preventing property damage to our walls that prevent erosion into the lake.

Thank you for your consideration of House Bill 5583.

Sincerely,

Ron and Ruth Denya
