

I as a citizen and registered voter of the United States Of America, ( OPPOSE ANY TYPE OF BAN ON ANY TYPE OF IVORY IN ANY WAY SHAPE OR FORM) This is a violation of my constitutional rights,to be compensated for that which I owen, no matter what I owen.And when this is taken away from me what is to stop you from taking all the rest of my rights, it is time to stand up for my rights and yours, against the so called do gooder who thinks that they know it all.The longer this fight goes on the stupider I think that the dogooders are,in the long run they are even taking ther owen rights away, and not smart enough to see it.
