

We are support constitutional amendment S.J.5 and ask you to pass this amendment in a timely and responsive fashion.

We are a small state and we are seriously lacking good conservation laws! It is imperative that donated or purchased lands be protected, as is the mission of conservation! Too much habitat has been stolen by corporate greed, never to be seen again.

If this amendment is NOT passed, there will be no protected lands, farms, or habitat in CT. Make protected lands a reality not a wish!
