Martin Mador, Legislative Chair

Committee on Energy and Technology  
March 1, 2016  
Testimony in Support of  
HB 5242 AAC Agricultural Virtual Net Metering

I am Martin Mador, 130 Highland Ave., Hamden, CT 06518. I am the volunteer Legislative Chair for the Connecticut Chapter of the Sierra Club. I hold a Masters of Environmental Management degree from the Yale School of Forestry and Environmental Studies.

Virtual net metering for agricultural operations will both enhance the financial bottom line of agriculture in the state, and lead to generation of additional renewable energy production. These are both highly desirable, so the Sierra Club supports this bill.
