Energy and Technology Committee

Dear Ladies and Gentlemen,

I would like to voice my support for Michael Bruce and WLCT96, the governmental TV channel that provides local boards, commissions, and special meetings and events in our town. This is regarding revising state statute 16-331 ff. Mr. Bruce has very strong feelings about the change, and based on my knowledge of him, and my relationship with him, I feel as though he knows much about this. Thank you for your consideration in this matter

Warm regards,

David Valletta, Wolcott Town Council Chairman
