CHAIRMAN
TRANSPORTATION COMMITTEE
MEMBER
BANKS COMMITTEE
SELECT COMMITTEE ON VETERANS' AFFAIRS

Senator Doyle, Senator Larson, Representative Reed, Representative DeMicco and distinguished members of the Energy and Technology Committee. For the record, I am Representative Tony Guerrero (29th Assembly District) representing Rocky Hill, Newington and Wethersfield.

I am here to today in support of SB 394 "AAC Virtual Net Metering And Certain Zero Or Low Emission Generation Projects". The changes proposed in this legislation are needed and would be beneficial to the municipalities which would be affected.

I know that you have others here today, like Rocky Hill's Mayor Claudia Baio, who will also be giving testimony in support of this measure. I would like to add my voice to theirs and ask that you look favorably on this legislation and pass it to the floor for consideration.

If I can be of assistance to you in any way please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Tony Guerrero".
