My statement is in reference to Senate Bill 337. The sales tax on a car wash has caused the cost of a car wash to increase by \$2.00. I have stopped going to car washes, as a result of this increase. I know of other seniors who also stopped doing business with car washes, because of this increase in cost. I am retired on a fixed income, and I already pay more than my fair share of taxes to the state of Connecticut. Please eliminate the tax on car washes.
