February 23, 2016 COMMENT FOR THE CT HOUSING COMMITTEE PUBLIC HEARING

2:00 p.m. Public Hearing in Room 2D

Legislative Office Building in Hartford, CT

By

Leonard S. Campbell, MLA – NWCPOA President

&

Mary W. Campbell, CRA – NWCPOA Legislative Comm.

TO OPPOSE THE PROPOSED BILL:

Raised House Bill 5335 –An Act Concerning Rights and Responsibilities of Landlords & Tenants Re: Treatment of Bed Bug Infestations

Good Afternoon, Housing Committee Chairmen Representative Butler & Senator Winfield and other Housing Committee Members. Our review so far of this session's RHB No. 5335 bed bug bill proposal finds it has not addressed numerous issues that we, other multifamily homeowners and property managers expressed concerns about in the hearings on Connecticut's 2014 & 2015 versions of the bill, and since.

Over the next few days, we will we will thoroughly review and prepare an issues paper to the Committee on this RHB No. 5335 version, **together with updated information and materials on the topic.**

Sincerely,

Leonard S. Campbell, MLA, NWCPOA President

&

Mary W. Campbell, CRA, NWCPOA Legislative Chairman
