Honorable members of the housing committee :my name is Dehar Mustafalic and I fully support the concept of fair and equal housing opportunities for all. However I am upset after learning that anyone accused of violating the Ct Fair Housing law does not have equal protections under our current statues that the accuser has. and think this is "UNFAIR"

And need to be fixed I encourage you to vote in favor of housing bill 5342 it was originally intended and extend to owners the right to one appeal if they choose to have an administrative hearing as currently tenets have unlimited appeal right (Reconsideration)and owners have non please contact me if you wish to discuse this matter further Thank you Dehar Mustafalic 917 325 6750
