Subject: Fair Housing legislation

Dear Housing Committee members,

My name is Frank Nunes, I am a landlord who has been in the industry for nearly twenty years. Although I fully support the concept of fair and equal housing, I am upset to learn that anyone accused of violating the CT Fair Housing Law does not have protections and rights under our current statutes, equal to the accuser and I think this is unacceptable and needs to be fixed.

*I ask that you vote in favor of House Bill 5342 as it was originally intended and extend to property owners the right to one appeal if they choose to have an administrative hearing as currently tenants have **unlimited** appeal rights (reconsideration) and owners have **none**.*

Please contact me if you wish to discuss this matter further.

*Thank you for your consideration,
Frank Nunes, owner
