Honorable members of the Housing Committee

My name is Noreen Pease and I support the fair and equal housing. However, I am discouraged after learning that anyone accused of violating the CT Fair Housing Law does not have equal protections under the current statutes that the accuser has and I this is "Unfair" and needs to be fixed.

One for all and all for one!

I encourage you to vote in favor of House Bill 532 as it was originally intended and extend to owners the right to one appeal if they choose to have an administrative hearing as currently tenants have unlit appeal rights (reconsideration) and owners have none.

There must be accountability not only for the tenant but also for the owner.

Equal means fair - across the board same rights for all.

Thank you

Noreen Pease
