Subject: HB-5054 / I fully object this proposal.

As a citizen of the "Constitution State", I fully object to the flagrant violation of the founding fathers full intent of the 2nd & 5th. Amendments to the Constitution.

The Second Amendment clearly states (please note the comma)", **the right of the people to keep and bear Arms, shall not be infringed."**

What is so difficult in understanding the meaning of these Amendments and the concept of Freedom to protect one's self and his/her family?

Give the communist agenda a rest and start thinking like a Free Citizen of the USA!
