Subject: Upcoming legislation

To Whom It May Concern,

I write to you in regards to the following legislation upcoming in CT: HB 5054, HB 5623, HB 5408. I implore you to not support these bills, as the provisions within remove unnecessarily rights of individuals without due process. I also ask, that in regards to HB 5409 that you add your support as it will unify requirements for all citizens in CT to properly and legally procure methods of self defense. Thank you for your time.

Kindest Regards,
Jay Polaski

"The laws that forbid the carrying of arms are laws of such a nature. They disarm only those who are neither inclined nor determined to commit crimes.... Such laws make things worse for the assaulted and better for the assailants; they serve rather to encourage than to prevent homicides, for an unarmed man may be attacked with greater confidence than an armed man."

- Thomas Jefferson
