Subject: OPPOSITION TO H.B. 5054

I write today to ask you oppose H.B. 5054. I am sure you will hear testimony regarding the bill violating the 2nd and 4th Amendments of the U.S. Constitution, so I won't restate those issues. I ask, however, you review our state constitution (specifically Sections 7 and 15 of Article First), and your oath (Section 1, Article Eleventh). Based upon that information, I believe your correct action would be to oppose this bill. Thank you.
