Testimony Concerning H.B. No. 5344

Judiciary Committee, February 24, 2016

Lynn Brown

I would like to thank the Judiciary Committee for the opportunity to express my support of Bill 5344, An Act Concerning Support For Animals That Are Neglected Or Treated Cruelly.

Recent reports of animal cruelty in the news and in my own hometown have been upsetting and appalling to me.

I feel that it is important to hold people who commit these acts of cruelty to animals accountable for their actions and need to protect animals from this abuse.

Thank you for giving me an opportunity to testify and I do hope you will strongly support this important piece of legislation.

Thank you,

Lynn Brown
