Testimony Concerning HB 5344
Judicial Committee, February 24, 2016

On behalf of Southington Speaks For Animals, we would like to thank the Judicial Committee for the opportunity to express our support of HB 5344, Desmond's Law.

SSFA is a non-profit organization in Southington, CT which was created to be the voice for the voiceless. Our goal is to change the course of animal welfare in our community. SSFA supports this bill and we hope the Judicial Committee will as well.

Animal cruelty should not be taken lightly and most charges against abusers are dismissed. Please allow animal advocates to speak on behalf of those that can't. Please allow us to fight for animals and with them because they can't speak up for themselves.

Thank you for giving SSFA the opportunity to show our support for HB 5344 (Desmond's Law) and we hope you strongly support this important piece of legislation.
