**Subject:** HB 5344 "Desmonds Law" - AN ACT CONCERNING SUPPORT FOR ANIMALS THAT ARE NEGLECTED OR TREATED CRUELLY

Dear Committee -

Please, please pass this bill that would afford an advocate to speak on the behalf of the innocent animals who are victims of cruelty and abuse.

These dear souls need a voice. No animal should have to endure the cruelty that so many are victims of, with the abusers off the hook because the animals do not have a voice. I do not see how a human being could deny this request/bill.

I am a registered voter in the town of Manchester.

Thank you,

Andrea Seader
