

Dear Co-Chair Coleman, Co-Chair Tong, and Honorable Members of the Judiciary Committee,

Please accept this as my testimony (for public hearing held on 2/24/16) in **SUPPORT of HB 5344**, An Act Concerning Support for Animals that are Neglected or Treated Cruelly.

**I vote, and this issue is important to me.**

I support HB 5344 because:

- Research has established strong links between violent behaviors toward humans and violent behaviors toward animals.
- Law enforcement agencies must take violence toward animals seriously, and prosecutions must be encouraged. A disturbing OLR report ([2015-R-0262](#)) found that between 2005-15, 80% of animal cruelty offenses were either not prosecuted or dismissed.
  - Having court advocates for animals would be done at no cost by enlisting volunteer representation for animals from law students and law firms.
  - Teaching humans to behave with kindness and respect toward animals will help to build a more humane society.

Thank you for your time and consideration.

Yours truly,

Ellen Wilson
