H.B. 5473, An Act Concerning the Investigation of Fraud and Corruption

Thank you for the opportunity to submit written testimony on behalf of the Judicial Branch regarding H.B. 5473, *An Act Concerning the Investigation of Fraud and Corruption*.

Section 5 of this proposal describes a procedure by which the subject of a subpoena may file a motion to quash the subpoena. The Judicial Branch can establish a process for handling these motions. However, we request that language be added to the bill providing that any such motion clearly note to the clerk that it relates to a prosecutorial investigative subpoena. This will alert the clerks to the type of subpoena that the motion involves.

Thank you for your time and attention to this matter.
