Subject: Reference Bill #346

The following is a statement in support of Bill #346.

Brian K. Stewart
39 Glendale Road
Enfield, CT 06082

To whom it may concern:

Please highly consider passing this bill, as it is undoubtedly the right thing to do. There is no time limit on grieving the loss of a loved one, and no matter how much time as passed, the person(s) should be held responsible.

In no world, does it make any sense, that knowingly causing harm against another individual should be allowed to hide out for several years, in order to avoid punishment. Please allow justice to be served.

Thank you for the consideration,
