Hello,

My name is Joshua Larensen. My address is 65 Church St Enfield, CT 06082 I am sending this email to show my support on bill #346. This case deserves justice. Hundred have been in mourning for years now including my self. A confession is a confession., Especially to murder! John was a bright soul who made a lot of people very happy everyday with his jokes and just being himself.

To be taken away so abruptly in such a violent way. The men Involved in this tragedy need to do the time for the crime. Taking another persons soul is just unforgivable no matter the reason.
