

I am grateful to have not yet been in a position where I needed to take time off to care for an ailing family member, but I have many friends, primary female friends, who have been forced to take time off from work unpaid to care for friends and family in need.

I support Paid Family and Medical leave because it supports families in times of transition without endangering their fiscal health.

Beth Royer

"There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle." — Albert Einstein
