

Dear Committee Members:

I write in support of the above referenced bill.

Specifically;

1. If the DPH declares a Drought Advisory, the production of bottled water for export needs to stop.
2. Everybody should pay the same rate for this resource. NO discounts.
3. Reestablish the citizen MDC watch dog committee
4. Impose a moratorium on large capacity agreements until the State War Plan is completed .

Thank you for your attention to these points
